Spoštovane udeleženke in udeleženci, cenjeni organizatorji, dragi ljubitelji psov,

Velika čast in veselje je, da Slovenija letos gosti svetovno prvenstvo šolanih nemških ovčarjev, tekmovanje, ki združuje vrhunsko znanje, predanost in ljubezen do te plemenite pasme. Nemški ovčar je po vsem svetu znan kot zvest, inteligenten in vsestranski pes, ki odlikuje delo v službi človeka, pa naj bo to v športu, varovanju, reševanju ali družini. Vaše tekmovanje je dokaz izjemne povezanosti med psom in vodnikom ter dokaz, kaj vse lahko skupaj dosežeta.

Ob tem pa se v Sloveniji zavedamo tudi svojega posebnega poslanstva, varovanja in ohranjanja kraškega ovčarja, naše edine avtohtone pasme, ki je globoko vtkana v kulturno in naravno dediščino. Kraški ovčar, trdoživ

čuvaj iz kamnite pokrajine Krasa, je simbol zvestobe, mirne moči in povezanosti z naravo. Ponosni smo, da ga lahko tudi ob takšnih priložnostih predstavimo svetu kot del slovenske identitete.

Iskrena hvala organizatorjem, tekmovalcem in vsem, ki s svojim trudom prispevate k uspehu tega velikega dogodka. Naj bo prvenstvo priložnost za športno tekmovanje, predstavitev lepote naše države, pa tudi za mednarodno prijateljstvo in povezovanje, ki ga znajo stkati prav pasji ljubitelji.

Vsem tekmovalcem želim veliko uspeha, vsem obiskovalcem pa prijetne in nepozabne dni v Sloveniji.

Matej Arčon

Podpredsednik Vlade Republike Slovenije in minister za Slovence v zamejstvu in po svetu

Dear participants, esteemed organizers, dear dog lovers,

It is a great honor and pleasure that Slovenia is hosting the World Championship of German Shepherd Dogs this year, a competition that combines top-notch knowledge, dedication and love for this noble breed. The German Shepherd is known worldwide as a loyal, intelligent and versatile dog that excels in working in the service of man, be it in sports, protection, rescue or family. Your competition is proof of the exceptional bond between dog and handler and proof of what they can achieve together.

At the same time, in Slovenia we are also aware of our special mission, to protect and preserve the Karst Shepherd, our only autochthon breed, which is deeply embedded in cultural and natural heritage. The Karst Shepherd, a hardy watchdog from the rocky landscape of the Karst, is a symbol of loyalty, peaceful strength and connection with nature. We are proud that we can also present it to the world on such occasions as part of the Slovenian identity.

My sincere thanks to the organizers, competitors and everyone who contributed to the success of this great event with their efforts. May the championship be an opportunity for sports competition, a presentation of the beauties of our country, as well as for international friendship and networking, which dog lovers know how to forge.

I wish all competitors great success, and all visitors pleasant and unforgettable days in Slovenia.

Spoštovani tekmovalci, trenerji, sodniki, predstavniki klubov, sponzorji, gostje in vsi ljubitelji nemških ovčarjev,

v imenu Kinološke zveze Slovenije, Športnega kinološkega kluba Vrtnica, v so organizaciji Mestne občine Nova Gorica in v sodelovanju društva nemških ovčarjev Slovenije, vas pristrčno pozdravljam na svetovnem prvenstvu WUSV 2025. Svetovno prvenstvu za nemške ovčarke, ga s ponosom že drugič gostimo tukaj, v čudoviti Novi Gorici – mestu, ki diha s športom, povezovanjem in kinologijo. Zbrali smo se na najvišji ravni tekmovanja, kjer se ne preizkušajo le sposobnosti najboljših nemških ovčarjev in njihovih vodnikov, temveč tudi zaupanje, predanost in dolgoletno delo, ki stoji za vsakim nastopom. Več kot 180 tekmovalcev iz 39 držav bo v naslednjih dneh pokazalo znanje v disciplinah IGP, agility in obedience. Še posebej sem ponosen, da to pomembno prvenstvo gostimo v regiji, ki je znana po svoji čezmejni povezanosti. Nova Gorica in sosednja Gorica v Italiji tudi tokrat skupaj ustvarjata enoten prostor sodelovanja, kar je v duhu tega tekmovanja – povezovanja ljudi z različnih koncev sveta preko skupne ljubezni do psov.

Naj bo to prvenstvo praznik športa, sodelovanja in spoštovanja – med ljudmi in med človekom ter njegovim najboljšim prijateljem – psom. Vsem tekmovalcem želim veliko uspeha, športne sreče in predvsem – varno tekmovanje za vas in vaše pse. Hvala vsem sponzorjem, prostovoljcem in organizatorjem, ki ste omogočili izvedbo tega izjemnega dogodka. Naj zmaga najboljši – a naj bo vsak nastop zmagoslavje za vas in vaše štirinožne partnerje.

Dobrodošli v Sloveniji, dobrodošli v Novi Gorici – naj se svetovno prvenstvu WUSV 2025 začne!

Hari Arčon,
predsednik Kinološke zveze Slovenije in predsednik ŠKK Vrtnica

Dear competitors, coaches, judges, club representatives, sponsors, guests, and all lovers of German Shepherds,

On behalf of the Slovenian Kennel Club and the Vrtnica Sports Kennel Club, in collaboration with the Municipality of Nova Gorica and the German Shepherd Association of Slovenia, I would like to warmly welcome you to the WUSV 2025 World Championship. We are proud to host the World Championship for German Shepherds for the second time here in beautiful Nova Gorica—a city that embraces sports, networking, and cynology. We have gathered here for a top-tier competition that not only tests the abilities of the best German Shepherds and their handlers but also showcases the trust, dedication, and years of hard work that contribute to each performance. Over 180 competitors from 39 countries will demonstrate their skills in the disciplines of IGP, agility, and obedience in the coming days. I am especially proud that we are hosting this important championship in a region renowned for its cross-border connections. Nova Gorica and the neighboring town of Gorica in Italy are once again fostering a unified space for collaboration. This reflects the spirit of the competition—bringing together people from different corners of the world through a shared love of dogs. Let this championship be a celebration of sportsmanship, collaboration, and respect—both among individuals and between humans and their best friends, the dogs.

I wish all competitors success, good luck, and, above all, safe competition for both you and your dogs. Thank you to all the sponsors, volunteers, and organizers who have made this extraordinary event possible. May the best competitor win, but may every performance be a triumph for you and your four-legged partners. Welcome to Slovenia and Nova Gorica – let the WUSV World Championship 2025 begin!

Spoštovani,

letošnje leto je za Novo Gorico posebno, saj skupaj s sosednjo Gorico ponosno nosi naziv Evropske prestolnice kulture. Ves čas nas spremljajo številni zanimivi dogodki, ki kulturno dogajanje dopolnjujejo tudi na športnem področju – od slovenske etape znamenite kolesarske dirke Giro d'Italia, prek mednarodnega tekmovanja v skokih s palico na Trgu Evrope do prestižnega moškega teniškega turnirja v Novi Gorici in mednarodnih tekmovanj v kajaku na reki Soči v Solkanu.

V to bogato dogajanje se zdaj vpiše še poseben mejnik – Svetovno prvenstvo WUSV IP + Agility 2025, posvečeno nemškim ovčarjem. Od 1. do 5. oktobra bo v Športnem parku v Novi Gorici in v Mirnu zbranih 190 tekmovalcev iz kar 38 držav sveta. Gre za izjemen mednarodni športni praznik, ki bo v naše kraje privabil številne športnike, ljubitelje psov in obiskovalce od blizu in daleč.

Posebno priznanje gre Športnemu kinološkemu klubu Vrtnica, ki je s svojo predanostjo in strokovnostjo že večkrat dokazal, da zmore organizacijo vrhunskih tekmovanj. S svojo dejavnostjo pomembno bogati dogajanje na Goriškem in prispeva k posebni gostoljubnosti naših krajev.

Vsem tekmovalcem želim veliko uspeha, obiskovalcem pa nepozabne trenutke ob spremljanju tekmovanja. Dobrodošli pri nas!

Samo Turel,
župan Mestne občine Nova Gorica

Dear friends,

This year is special for Nova Gorica, as together with neighboring Gorizia, it proudly bears the title of European Capital of Culture. We are constantly accompanied by numerous interesting events that complement the cultural events in the sports field – from the Slovenian stage of the famous Giro d'Italia cycling race, through the international pole vault competition on Trg Evrope to the prestigious men's tennis tournament in Nova Gorica and international kayak competitions on the Soča River in Solkan.

This rich event is now being marked by a special milestone – the WUSV IP + Agility 2025 World Championship, dedicated to German Shepherds. From October 1 to 5, 190 competitors from 38 countries around the world will gather in the Sports Park in Nova Gorica and in Miren. This is an exceptional international sports festival that will attract numerous athletes, dog lovers and visitors from near and far to our region.

Special recognition goes to the Vrtnica Sports Canine Club, which has proven on several occasions with its dedication and professionalism that it is capable of organizing top-notch competitions. With its activities, it significantly enriches the events in the Goriška region and contributes to the special hospitality of our places.

I wish all competitors great success, and visitors unforgettable moments while watching the competition. Welcome to us!

Dragi prijatelji pasme nemški ovčar!

Dame in gospodje – gostje na WUSV-Svetovnem prvenstvu v IP in agilitiji!

V posebno veselje mi je, da vas lahko pozdravim na vrhuncu športa nemških ovčarjev v letu 2025 – WUSV-Svetovnem prvenstvu v IP in agilitiji 2025. Naš mednarodni program WUSV se je začel s fantastičnim WUSV-Svetovnim prvenstvom UNIVERSAL v Nemčiji julija letos, ta uspeh pa se bo zdaj nadaljeval s češnjico na torti – svetovnim prvenstvom v IP in agilitiji. Letos bomo spet v Sloveniji – majhni državi v osrednji Evropi, ki je tako dobro znana po lepoti svoje pokrajine, bogati kulinariki in arhitekturnih zakladih. Vračamo se z dobrim razlogom. Nekateri se morda še spomnite svetovnega prvenstva WUSV IP leta 1989 in tudi leta 2001 v Mariboru, ki mu je sledilo svetovno prvenstvo WUSV UNIVERSAL v Novi Gorici leta 2012 – kjer se bomo vsi spet srečali na stadionu od 1. do 5. oktobra 2025. Svetovno prvenstvo v agilitiji bo potekalo v neposredni bližini, na stadionu ND ADRIA. Ob toliko stvareh, ki so nam znane, je letos ena novost. Svetovnega prvenstva WUSV v IP & AGILITYju prvič ne bo gostil klub, član WUSV, temveč SKK VRTNICA pod vodstvom predsednika Harija Arčona in njegove organizacijske ekipe, s Stefano Marinello na čelu, ki bo zadolžena za vsa administrativna vprašanja. Hari je dobro znan v mednarodni kinološki skupnosti in ima veliko izkušenj na področju organizacije dogodkov, tudi na ravni FCI. Zato lahko pričakujemo odlične kinološke športe in profesionalno vodenje.

Slovenski klub - član WUSV, Kinološko Društvo za vzrejo in šolanje nemških ovčarjev Slovenije – KDNOS, je bil tako prijazen in je SKK VRTNICA dovolil organizacijo tega dogodka. Predsednik kluba, cenjeni gospod Miloš Mihelj, je ponudil svoje vodenje in podporo med pripravami WUSV-World Championship IP, kar je zelo cenimo.

Dovolite mi, da z nekaj besedami omenim vedno večje težave pri iskanju klubov članic WUSV, ki bi bile pripravljene gostiti dogodek tako velikega obsega. Upravni odbor WUSV se zaveda problema – kot so naraščajoči stroški in tudi težave pri iskanju dovolj števila prostovoljcev za podporo organizaciji takšnega dogodka – in ga je obravnaval v smislu morebitnih izplačil nepovratnih sredstev, pa tudi podpore pri načrtovanju in izvajanju realističnega proračuna za tak dogodek. Za podrobnosti se obrnite na generalni sekretariat WUSV. Z dobrim načrtovanjem dogodek ni le mogoč, ampak je lahko tudi velik uspeh, ki spodbuja rast organizacije. Rad bi spodbudil vse predsednike naših klubov po vsem svetu, da razmislijo o možnostih zase in za svoje klube.

Zahvaljujem se vsem, ki so pripomogli k izvedbi tega dogodka. Zahvaljujem se tudi mestu in mestnemu svetu Nova Gorica, ki sta nas počastila s svojim gostoljubjem, kar zelo cenimo. Upam, da se nam bo pridružilo veliko ljubiteljev tega športa, od blizu in daleč.

Nenazadnje se zahvaljujem mednarodni in zelo izkušeni ekipi sekcijskih sodnikov ter seveda agilitiji, komisarju za sledenje in prostovoljnemu sodnikom, ki so prepotovali razdaljo do Nove Gorice, da bi se kar najbolje pripravili na dogodek naslednje leto. Zahvaljujem se tudi koordinateljema WUSV za IP in agility, gospodu Josefu Vonarburgu in Björnu Brökerju, za njuno dragoceno delo. Vem, da se ne morem vsem zahvaliti osebno, vendar se zavedam številnih pomoči in nešteti ur dela, ki so jih ponudili navdušenci, ki so nam omogočili, da smo preživeli fantastičen vikend skupaj z ekipami, prijavljenimi iz vsega sveta – in tudi z vsemi, ki bodo spremljali dogajanje prek prenosa v živo. Proslavimo našo skupnost in popolnega psa: nemškega ovčarja!

Veselim se srečanja z vami in številnih prijateljskih srečanj ob prijaznih in zanimivih pogovorih, vključno z obilo zabave in smeha.

Se vidimo kmalu v Sloveniji.

S toplimi pozdravi,

Roswitha Dannenberg

Dear Friends of the German Shepherd Dog Breed!

Ladies and Gentlemen – Guests to the WUSV-World Championships IP & Agility!

It is my special pleasure to welcome you to the final highlight of German Shepherd dog sports in the year 2025 – the WUSV-World Championship IP and Agility 2025. Our international WUSV schedule started with a fantastic WUSV-World Championship UNIVERSAL in Germany in July this year, and this success shall now be continued with the icing of our cake – the World Championship IP & Agility.

This year, we will be in Slovenia again – the small country in central Europe so well known for the beauty of its landscape, rich cuisine and architectural treasures. We are coming back for a good reason. Some of you might still remember the WUSV-World Championships IP in 1989 and also in 2001 in Maribor, to be followed by a WUSV-World Championship UNIVERSAL in Nova Gorica in 2012 – the place where we will now all meet again at the stadium from the 1st of October to the 5th of October 2025. The World Championship Agility will be held in close proximity at the ND ADRIA stadium.

With so many things that sound familiar to us, one thing is new this year. For the first time, the WUSV-World Championships IP & AGILITY will not be hosted by a WUSV member club, but by the **SKK VRTNICA** under the leadership of President Hari Arčon and his organizational team with Stefania Marinello firmly in charge of all administrative issues. Hari is well known in the international dog community and very experienced in the field of event organization, also at FCI-level. So, we can expect great dog sports and professional guidance. The Slovenian WUSV-member club, Kinolosko Drustvo za vzrejo in solanje nemskih ovcarjev Slovenije – KDNOS, was so kind and allowed the SKK VRTNICA to organize this event. The club's president, the esteemed Mr. Miloš Mihelj, offered his guidance and support during the preparations of the WUSV-World Championship IP which is very much appreciated.

Please, allow me to comment on the ever-growing difficulty of finding WUSV member clubs willing to host an event of such a large scale. The WUSV Board of Directors is aware of the problem – such as rising costs and also the difficulty to find enough volunteers to support the organization of such an event – and has addressed it in terms of possible grant payments but also support in planning and implementing a realistic budget for such an event. Do not hesitate to contact the WUSV-Secretariat General for details. With good planning, the event is not only possible but can also be a great success that makes an organization grow. I would like to encourage all presidents of our worldwide clubs to consider the options for yourself and for your club.

My thanks go to everybody who has helped to make this event possible. Also, my thanks go to the town and town council of Nova Gorica who honor us with their hospitality, and which is very much appreciated. I do hope that many of the citizens from town, and near and far, will come and join us.

Finally my thanks go to an international and very experienced team of sectional judges and of course agility, the tracking commissioner and to the volunteer judges who travelled the distance to Nova Gorica to get the best possible preparation for next year's event. And my thanks go to the WUSV Coordinators for IP & Agility, Mr. Josef Vonarburg and Björn Bröker, for their precious work. I know I cannot thank everybody in person, but I am aware of the many helping hands and countless hours of work offered by the enthusiasts who allow us to spend a fantastic weekend together with teams registered for participation from all over the world – and also the world watching via livestreaming. Let us celebrate our togetherness and the perfect dog: The German Shepherd!

I look forward to meeting you and to the many friendly encounters over kind and interesting conversations, much fun and laughter included.

See you soon in Slovenia.

With warm greetings

Dragi kinološki prijatelji, športniki, cenjeni gostje iz vsega sveta!

V veliko veselje in čast nam je, da vas lahko pozdravimo na letošnjem svetovnem prvenstvu WUSV IP za nemške ovčarje v Novi Gorici v Sloveniji. Ta poseben dogodek združuje ljudi iz mnogih narodov, ki jih združuje strast do ene najpomembnejših pasem psov, ki se odlikuje po svojem močnem značaju.

Že od samega začetka je nemški ovčar znan po svoji zvestobi, pogumu, inteligenci in učinkovitosti pri delu. Znova in znova dokazuje svojo vsestranskost in zanesljivost na področju športa, službe in v vsakdanjem življenju v družinah.

Svetovno prvenstvo WUSV IP ponuja edinstveno priložnost, da te izjemne lastnosti izkusite med poštenim tekmovanjem – ki ga nosi duh športa, spoštovanja in mednarodnega prijateljstva.

Zahvaljujemo se vsem, ki so prispevali k uspehu tega dogodka: vodnikom psov, sodnikom, številnim prostovoljcem ter našim sponzorjem in poslovnim partnerjem. Brez vaše predanosti dogodek tako velikega obsega ne bi bil mogoč.

Vsem tekmovalcem želimo veliko uspeha, poštenih preizkušenj in nepozabnih dni. Naj nam svetovno prvenstvo ne ponudi le vrhuncev v kinološkem športu, temveč naj bo tudi začetek novih prijateljstev, ki bodo še okrepila svetovno skupnost ljubiteljev pasme nemški ovčar.

S toplimi željami,

With warm wishes,

Dame in gospodje iz upravnega odbora SKK VRTNICA,
spoštovani člani upravnega odbora WUSV,
spoštovani udeleženci in gostje svetovnega prvenstva WUSV v agilityju 2025!

Zelo me veseli, da bo tudi letos svetovno prvenstvo WUSV v agilityju potekalo skupaj s svetovnim prvenstvom WUSV IP. V našem vse bolj nemirnem svetu je skupnost, ki jo oblikujeta mirno sodelovanje in medsebojno spoštovanje, zelo pomembna za vse nas.

Zato se posebej zahvaljujem gostiteljski organizaciji in številnim prostovoljcem, ki so v preteklih mesecih veliko časa posvetili pripravam na dogodek.

Ko je WUSV vključil disciplino agilityja v svoj uradni program za mednarodne dogodke, je bila to očitno prelomna odločitev, usmerjena v prihodnost.

Agility je visokozmogljiv šport s psi, ki ga oblikujeta duh timskega dela in dinamike. V agilityju ekipe – pes in vodnik – predstavljajo šport z veliko hitrostjo, skupaj s hitrim odločanjem, spremembami smeri, močjo odskoka in temeljijo na trdnem odnosu med človekom in psom.

Za uspeh na tovrstnem tekmovanju, je poleg kondicije in dobrega zdravja, potrebna tudi visoka stopnja psihične stabilnosti, saj se pes mora hitro odzvati na signale vodnika. Agility se izvaja že desetletja po vsem svetu. V okviru FCI in tudi nacionalnih združenj poteka veliko prvenstev in dogodkov. Mednarodna primerjava samo ene pasme pa je edinstvena in jasno označena kot vrhunec v programu dogodkov.

Raven treninga in metodologija treninga drugih sodelujočih držav, pa tudi poreklo živali, je zelo zanimivo za vsakega ljubitelja pasjih športov.

Svetovno prvenstvo v agilityju WUSV tako ni le prostor za druženje in tekmovanje s podobno mislečimi ljudmi, temveč ponuja tudi prostor in čas za srečanje s starimi prijatelji in sklepanje novih.

Upam, da bodo vsi udeleženci iz držav članic WUSV za svojo prizadevnost in predanost nagrajeni z najboljšimi rezultati.

Sodniku in mojemu kolegu, gospodu Fritzu Heusmannu iz Nemčije, želim natančno oko za predstavljene nastope in srečno roko pri postavljanju ovir. Najlepša hvala za vašo predanost in Vaš čas, Fritz!

Vsem želim prijetno in polno dogajanje, predvsem pa harmonično vzdušje in mirne dni, ki jih bomo lahko preživeli skupaj z nemškimi ovčarji, ki nas vse združujejo.

Lep pozdrav, Björn Bröker, WUSV Koordinator Agility

Ladies and Gentlemen of the SKK VRTNICA Board of Directors,
Dear WUSV-Board of Directors,
Dear Participants and Guests to WUSV-World Championship Agility 2025!

I am very pleased that also this year the WUSV-World Championship Agility will be held together with the WUSV-World Championship IP. In our increasingly restless world, a community, shaped by peaceful cooperation and mutual respect, is of great importance for all of us.

Therefore, my special thanks go to the hosting organization and the many volunteers who have been spending much of their time during the past months with the preparation for the event.

When the WUSV included the discipline of Agility into its official program for international events, this was clearly a future oriented landmark decision. Agility is high performance sport with dogs, shaped by the spirit of teamwork and dynamics. In Agility the teams – dog and handler – present sport at high speed, coupled with quick decision making, changes of direction, jumping power and based on a firm relationship between human and dog.

To succeed in this kind of competition, apart from fitness and good health, a high level of mental stability is required for the dog to respond with fast reactions to the signals given by the dog handler.

Agility has been practiced for decades and all over the world. Within the framework of the FCI and also within national associations, many championships and events are held. The international comparison of only one breed – however – is unique and clearly THE highlight marked in the event schedule.

The level of training and training methodology of other participating countries, but also the descent of the animals, is highly interesting for every dog sports person.

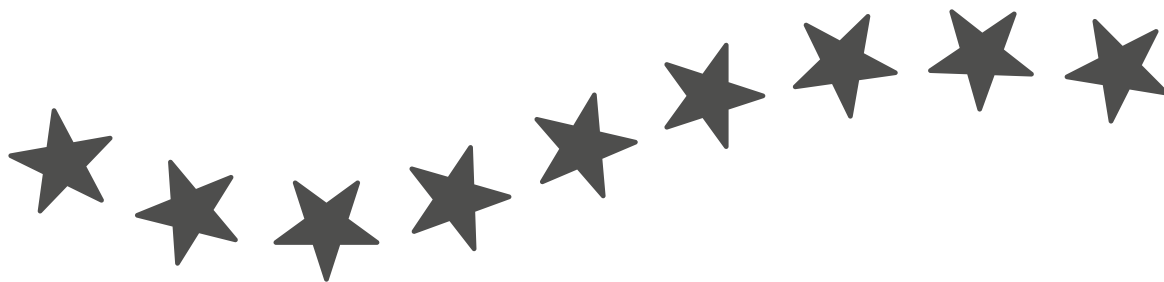

Thus, the WUSV-World Championship Agility is not only a place for coming together to compete with like-minded people but also it offers space and time to meet with old friends and gain new ones.

I hope that all participants from the WUSV member countries will be rewarded with the best possible results for their diligence and commitment.

I wish the trial judge and my colleague, Mr. Fritz Heusmann from Germany, an accurate eye for the presented performances and a lucky hand when setting up the obstacle course. Thank you so much for your commitment and for your time, Fritz!

For all of us I wish an enjoyable and eventful time, most of all I wish for a harmonious atmosphere and quiet days we can spend together with the German Shepherd Dog who unites us all.

Kind wishes, Björn Bröker, WUSV Coordinator Agility

Team leaders and their representatives must wear their badges visibly when entering the venue. Dog handlers do have to wear their start vests and pass.

CLEANING UP DOG'S STOOL

The dog handlers are obliged to clean up the stool of their dogs in all public areas and the surroundings of the stadium. This is according to the general Slovenian regulations. The non respect of this regulation can lead to a fine of up to 300 Euro.

DOGS RUNNING FREE

Outside the official competition IGP, Agility and Obedience areas it is prohibited to let dogs run free (this is valid also for the in- and outside of the stadium, tracking fields and exhibition area)

SALES

If you do not have a permit, you are not allowed to sell any articles, in and outside the stadium.

BANNERS AT THE STADIUM

It is not allowed to show your banners in the stadium; they will be removed. Advertising inside and in the direct surroundings of the stadium is permitted only to the official sponsors of the event.

PARKING

Is possible ONLY in areas indicated. The organization is not responsible for any damage to the vehicle or theft, even though the area is equipped with a barrier or parking controls. It is strictly forbidden to park outside the car parks assigned to the event or from paid parking slots. Cars cannot be parked in private parking or spaces reserved for condominiums. Risk heavy fines and the removal of the vehicle!

ATTENTION!

We highly recommend not to leave any things of value inside your car, even if they are not visible from outside the car.

LIABILITY AND SECURITY

The organization, sponsors, officials, volunteers and other co-workers of the event cannot be held responsible in any way for any damage, material or not material, which you as a visitor or participant may have experienced.

The entering of the location of the event, stadium and tracking fields is at your own risk. If there is a calamity you must follow the instructions of the organization, security, first aid and staff at all times.

IT IS MANDATORY FOR ALL DOGS PARTICIPATING IN THE WORLD CHAMPIONSHIP OF ALL DISCIPLINES TO HAVE A COPY OF THE LIABILITY INSURANCE POLICY.
